To Parents/Guardians of Students of Bible Hill Consolidated Elementary;

On behalf of Cobequid Schools Catering Society and myself, I wish each student and their families a very Merry Christmas and a Happy New Year. I hope you have a safe and fun holiday season.

In regards to the recent announcement from the Provincial Government concerning the days prior to and after Christmas break, once again this is how the cafeteria will proceed:

- If you have prepaid for Dec. 20 and 21, 2021, a credit will be issued for students returning in January. Please use this credit when you place an order in January 2022, making note of this on the order form.
- Normally a complete January menu (4 week) is sent home prior to Christmas break. With the recent announcements made, a two-day menu which is attached below, will be the meal choices for the first 2 days back in 2022. As announced, the expected date is now January 6, 2022. A full menu will follow for the remaining weeks in the month.

Your support and patience are greatly appreciated as we work through the uncertainty that we are experiencing daily.

Once again have a Happy, Safe Holiday Season!
